A Sensational Case Dismissed.

Marrin Bowman, white, charged with the crime of incest, was acquitted by the jury on Thursday last. The case has been on the docket for some time and the trial was looked forward to with varying degrees of interest by the curious and morbid. For County Clerk.

Mr. Arch Kavanagh Doty is today announced for the Democratic nomination for County Clerk. Aside from his personal fitness for the place he offers the argument that none of the Dotys nor Kavanaghs ever asked for office, though they always stood valiantly by the party nominees. Mr. Doty says he has often refused to run against his friends and he is now making a sacrifice to enter the race, and asks for the support of every Democrat in the county.

Admitted to the Bar.

It is with unfeigned pleasure that we announce the admission to the Bar of Mr. Wm. Robertson Letcher, son of the late James Letcher. To Sing in Winchester.

Our Winchester friends need not possess the local attachment for Mrs. Little Logan Keen which Richmond feels for that sweet singer, to appreciate the grandeur of her vocal powers when she sings to them tonight. This does Richmond boast of a finished artist, whose charm of voice and manner render her irresistible.

C. H. S. Contest a Success.

Four hundred people, young and old, crowded into the court house Monday night to enjoy the entertainment of the Caldwell High School pupils from whom were chosen a speaker and a vocalist to represent us at the Blue Grass Declarationary Contest soon to be held in Somerset. There were several fine choruses and a number of solo and duet songs. The judges awarded the honors to Miss Sallie Binghamman, for best declamation, and to Miss Katie Haeber, for best vocal soloist. Miss Binghamman recited, in extempore, a tragic selection, which was very fine. The choral, especially Miss Campbell's, were also truly excellent, evincing a high grade of talent. Miss Haeber has a sweet, cultivated and promising voice. Her competitors, especially Miss Fletcher, were very good. Little Miss Schilling made quite a hit with her recitation, and a number of other pupils gave even a better entertainment than the other pupils at the court house on Friday night. Admission 25 cents. Doors open at 7. Performance begins at 7:30, sharp.

Quaint Sayings.

It is interesting and instructive to read brief and pointed advertisements, verities, Messrs C. L. Hood &amp; Co. of Sarapilla fame, must have been at a great feast and taken everything home with them. They are using a bright selection of quaint old sayings and proverbs as the starters in a series of clever advertisements, which are proverbs are neatly turned and paraphrased to fit the subject matter. The public like this breezy advertising as it reminds of other proverbs and opens up discussion.

How many young men and young women are cut off just as the future seems bright and full of promise? It is because of the disease which causes over-sixty of all the deaths in the world—the disease which doctors call consumption. There is absolutely no reason in the world why consumption should be fatal—why it should even seriously threaten a life. It is a disease that can be cured absolutely and always by purifying and enriching the blood. The only exception to this is the case where the disease has been neglected and improperly treated until it is stronger than the body—until the body has become so weak as to have lost the ability to regenerate. Dr. Pierce's Golden Medical Discovery will cure 95 per cent of all cases of consumption if used according to directions. It also cures all lingering coughs, bronchitis and throat affections.
